CLIL PLUS+ COURSE 2022

Join us for some challenging CLIL!

Contents

This advanced course applies the most relevant aspects of evidence-based teaching and learning which most apply to CLIL. It will be interactive, varied and fun.

Participants

Competent, committed and experienced CLIL practitioners who want to take their CLIL methodology to a higher level.

Some topics:

1. Evidence-based teaching and learning: applying to CLIL
2. Diving deep into content and language scaffolding and thinking skills for CLIL
3. Challenging projects for CLIL
4. CLIL and assessment

Comments from previous courses run by Rosie & Brian:

"Nice pace, nice content, nice people! You practise what you preach."

"A great opportunity for like-minded people to learn about CLIL."
